

2018 Summer Junior Golf Camps

When you look at the best Golfers in the World, every single one of them was once a Junior Golfer! As a matter of fact, if you look across the World of Sports in general, many of the best athletes, were once Junior Golfers! And if we take it one step further, and look across the globe in the worlds of business, science, and the arts, many of the most successful people, who excel in every walk of life, were once Junior Golfers!! So, what is the common thread? It's the game of golf! A game that teaches focus, determination, self-reliance, patience, problem solving, skill acquisition, honesty, all while in the beautiful setting of the Great Outdoors!!

Therefore, the sooner a child is introduced to game, the sooner they can begin to **LEARN**, **MASTER**, and **ENJOY** the skills and understanding needed to play the Wonderful Game of Golf for a lifetime, as well as the Game of Life itself!! To help accelerate this process, we are offering 4-day introductory Junior Golf Day Camps at Jester Park this summer, which will be available on the following dates, and are open to all Girls and Boys ages 8-17!!

Session 1: 10:00-12:00am June 5th - 8th (*closed*)

Session 2: 8:00-10:00 June 19th - 22nd (*closed*)

Session 3: 10:00-12:00am June 19th - 22nd (*Only 10 Spots Left*)

Session 4: 9:00-11:00am July 10th - 13th (*New Date Just Added!!!*)

Cost for our camps are **\$150 per child**, with each camper receiving a Pass for a Round on our Par-3 Course, to show off their newly Learned and Mastered Skills, as well as Tee Gift upon completion of the program!!

With space limited to 30 kids per session, we do expect each to fill up quite quickly!! Therefore, if you are interested in signing your child up, please visit Mark's website at www.MarkAtchisonGolf.com, click on the Junior Golf Tab, and sign up for your desired Summer Junior Camp session under the Classes/Event Tab, being sure to scroll to the 1st Date of your desired session on the calendar screen to complete your application!!

At the beginning of each session, campers will be divided into three groups or Pods, based on age, which they will stay in through the end of camp to help build Comradery! From there, we will rotate between three different stations each day, focusing on the fundamentals of Full Swing, Chipping and Pitching, and Putting, culminating with a Day of Fun, Golf, and Skill Challenges on our Par-3 Course on the final day of camp– with Pizza to Celebrate a Job Well Done!

Featuring golf instruction from our PGA Professional Staff, led by our Director of Instruction Mark Atchison, along with the assistance of area High School Golfers, the goal of our Summer Junior Golf Camp is to provide not only elite level golf instruction, but an avenue to develop Athletic Skill and promote a Healthy Lifestyle, while in a friendly, fun, and safe atmosphere. Through our program, it is our intention to enhance your child’s appreciation for exercise & sports while building new relationships with like-minded juniors, and will follow the daily schedule below:
