

Player Improvement Packages

Now available at the Jester Park Learning Center– home of the Best Practice Facility in Central Iowa, are our newly created Player Improvement Packages!! These Individualized Instructional Programs are geared towards those striving to play their absolute best, by taking a holistic view of your game from tee to green, to identify your specific weaknesses and tailor your game's own specific Road Map to Success, before taking your first lesson!!

Under the watchful eye of our Director of Instruction, Mark Atchison, each package will begin with a highly detailed Full-Game Assessment- where you will utilize our practice facility to work through every shot in the bag and create your own Personal Priority List for Improvement! From there, each package includes a series of Individual and On-Course Playing Lessons, which allows the two of you to work together to turn your weaknesses into strengths, as well as a Full-Season Unlimited Range Pass, to help maximize your practice time and get you where you want to be FASTER!

Below you will find a breakdown of each package and in the event that you have any questions, please do not hesitate to email Mark@MarkAtchisonGolf.com today!!
