## Jester Park Junior Academy

Class will be offer throughout the summer. Class sizes are limited to six students per class. The classes are mix with different skill levels. Teaching is designed around your child's ability (from beginner to advanced player).

Most junior programs are incomplete. That is why the **Jester Junior Academy** uses the Operation 36® Development Model which centers around playing golf. The goal is to help your junior **shoot par (36) or better for 9 holes.**

### **STEP ONE: Learn Skills in Fun Classes**

We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

### **STEP TWO: Play Their First 9 Holes**

Coaches will provide your junior with 9 holes playing experience with the Op 36 Model.

### **STEP THREE: Train & Track Progress**

The Op 36 Mobile App is your families guide to practicing and playing golf outside of class.

## **Mastering the Operation 36 Model:**

### **Golfers Play 9 Holes From Division 1 (25 Yards)**

Instead of starting at the full tee box, all golfers begin in Division 1 and will play 9 holes starting 25 yards from each green.

### **Shoot par (36) or better to pass Division**

When they shoot par (36) or better, the golfer progresses to Division 2, where they start 50 yards from each green.

### **Complete the Division 10 challenge**

This challenge continues until the golfer can shoot par (36) from all 10 divisions!
